Art Unit: 1642

Response to Amendment

- 1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office Action.
- 2. Claims 1-28 have been amended and are under consideration.

Claim Rejections Maintained

- 3. The rejection of claims 11 and 17 under 35 U.S.C. 102(b) as being anticipated by Horwitz (US 5,108,745) as evidenced by Kapoor et al (US 5,330,754) is maintained for reasons of record.
- 4. The rejection of claims 1, 4, 6 and 9 under 35 U.S.C. 103(a) as being unpatentable over Horwitz (US 5,108,745) as evidenced by Kapoor et al (US 5,330,754) in view of either of Yoshimoto et al (US 4,789,658) or Roskam et al (US 5,417,970) and what is well known in the art as exemplified by Paul (Immunology, 1993, (text) pp. 1327-1328) is maintained for reasons of record.
- 5. Applicant argues that there are many antigens which can have the molecular weight of 12kD, 14kD or 71kD and not all are secreted. This has been considered but not found persuasive. The rejected claims are drawn to "majorly abundant extracellular product" not a secreted extracellular product. Both Horwitz and Kapoor disclose extracellular proteins of M tuberculosis.
- 6. All other rejections and objections as recited in Paper no. 19 are withdrawn.

Art Unit: 1642

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karen Canella whose telephone number is (703) 308-8362. The examiner can normally be reached on Monday through Friday from 8:30 am to 6:00 pm. A message may be left on the examiner's voice mail service. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anthony Caputa, can be reached on (703) 308-3995. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (703) 308-0196.
